

## Application Form

Dear researcher,

thank you for your interest in our project. As you may have noticed, our webpage at [www.nuclearcrisis.org](http://www.nuclearcrisis.org) is designed to be a central, interdisciplinary and international forum for academic exchange as well as database related to the phenomena of transatlantic peace politics, rearmament, and the “Second Cold War”.

If you would like to affiliate yourself with our project, we kindly ask you to provide us with some information concerning your person, your latest publications as well as further information on the archives you have / are planning to visit for your research. This way, we not only ensure wider public visibility for your research results but also help other researchers to benefit from your archival experience.

Please send the completed form or an email containing all necessary information to [mail@nuclearcrisis.org](mailto:mail@nuclearcrisis.org)

Thank you very much in advance,  
Philipp Gassert and Martin Klimke
